## OIL TOWN MAKES GREATEST GAIN IN STATE.

Washington, Sept. 2. — Irvine, Kentucky, gained 849.5 per cent, in population in ten years, the Census Bureau announced last night.

The oil industry transformed a village of 372 persons in 1910 to a thriving little city of 2,705 inhabitants. Towns in Western states have experienced greater gains but Irvine leads in Kentucky.

Bell county increased 5,541 or 19.5 per cent. The 1920 population is 33,988. In 1910 the increase for a decade was 81.2 per cent.

Grant county decreased 146 or 1.4 per cent. The 1920 population is 10,435.

Hoke Smith, who is now contesting for renomination as United States Senator from Georgia, was born at Newton, S. C., 65 years ago today.

## FAINTING AND DIZZY SPELLS

The Cause of such Symptoms and Remedy Told in This Letter.

Syracuse, N. Y. — "When I commenced the Change of Life I was poorly, had no appetite and had fainting spells. I suffered for two or three years before I began taking Lydia E. Pinkham's Vegetable Compound and the Liver Pills which I saw advertised in the papers and in your little books. I took about twelve bottles of your Vegetable Compound and found it a wonderful remedy. I commenced to pick up at once and my suffering was relieved. I have told others about your medicine and know of some who have taken it. I am glad to help others all I can." — Mrs. R. E. Dumas, 437 W. Lafayette Ave., Syracuse, N. Y.

While Change of Life is a most critical period of a woman's existence, the annoying symptoms which accompany it may be controlled, and normal health restored by the timely use of Lydia E. Pinkham's Vegetable Compound.

Moreover this reliable remedy contains no narcotics or harmful drugs and owes its efficiency to the medicinal extracts of the native roots and herbs which it contains.

## AGRICULTURAL EXPERT ADDRESSES THE INSTITUTE

Attendance Continues Large and Interest Keen In Annual Meeting Of Mason County School Teachers.

(By Prof. R. Y. MAXEY.)

Thursday morning's session of the county teachers' institute opened pleasantly with the splendid singing of Mr. Carson Taylor who has delighted the teachers several times this week.

Doctor J. L. Lock was again in the institute and made a plea for the teachers to busy themselves in raising funds to help buy an automobile for the county health nurse. The doctor showed that Mason county was favored by the public health service above any other county in the state that has a county health nurse and county health nurse in that Mason county receives one and one-half dollars for every dollar that the county puts up while the other counties were receiving dollar for dollar.

Supt. King then took the floor in his splendid talk on "The Daily Program," laying great stress on the opening exercises, saying same should be varied and affording the element of surprise each morning for as was the beginning so would be the end. In other words the beginning period determines the success or failure of the day's work, and oftentimes a life career.

In the period immediately preceding noon Mr. King delivered a strong address on "School Government." The afternoon session was made interesting by parting talks from Mr. Carson Taylor of the Baptist Theological Seminary, and Miss Georgia Dunn, of the Kentucky Children's Home, both of Louisville.

Mr. Charles A. Mosgrove, Kentucky University, gave a most interesting and helpful talk on agriculture, showing how agricultural clubs may be organized in schools and how they may become affiliated with the university department.

Mr. King finished the afternoon's work with one of his interesting talks on "The Background for Geography and History."

## DOG'S LOYALTY MAY COST WOMAN'S LIFE

Mrs. J. C. Renaker, of Cynthia, Attempts Suicide and Dog Keeps Rescuers Away From Body.

Cynthia, Ky., Sept. 2. — When a neighbor heard Mrs. Jesse Carter Renaker, druggist's wife, cry for help after she had taken poison yesterday afternoon, a pet bulldog stood guard at the door of the room and thwarted efforts to reach the unconscious woman.

The delay caused by the too zealous dog may cause Mrs. Renaker's life.

By the time her husband was communicated with and a physician obtained, she was in a critical condition. She was alone at home when she attempted to end her life.

Her husband, Houston Renaker, is unable to explain his wife's action. She is 32 years old. They have no children.
